AARTI RAWAT

New Delhi | rawataarti845@gmail.com | **9045099534**

Data Analyst and MIS Specialist with expertise in engineering high-throughput ETL pipelines and deploying AI-augmented data models.

PROFESSIONAL SUMMARY

Proven capability in architecting complex relational schemas and processing massive semi-structured datasets (100,000+ records) utilizing advanced algorithmic automation. Adept at rapid skill acquisition and leveraging state-of-the-art AI/ML models to optimize heuristic data validation, accelerate script deployment, and transform raw dimensional data into dynamic, predictive business intelligence.

CORE COMPETENCIES

Data Engineering & ETL: Power Query M Formula Language, Advanced VBA, DAX, Relational Schema Design, Asynchronous Data Structuring.

AI & Machine Learning Integration: Neural-network-assisted workflow scripting (LLMs), Prompt Engineering for Data Parsing, Predictive Trend Analysis, Fuzzy Logic Data Matching.

Analytics & Visualization: Dimensional Data Modeling, Advanced MIS Architecture, Power BI, SQL, Python (Pandas/NumPy basics for data manipulation).

PROFESSIONAL EXPERIENCE

Info Edge - Shiksha, New Delhi — *MIS Executive & Data Operations*
DEC 2024 - PRESENT

- Engineered deterministic, algorithm-driven data extraction workflows using advanced VBA macros integrated with AI-generated logic structures, optimizing execution times by 40%.
- Architected scalable, multi-table relational MIS dashboards tracking 60,000+ complex records using DAX.
- Orchestrated programmatic deployment of 100,000+ entity pages achieving 100% SLA compliance.
- Developed heuristic reconciliation frameworks decreasing live-environment discrepancy rates by 20%.

CERTIFICATIONS & COURSEWORK

Applied Machine Learning & AI-Driven Analytics: Focus on predictive modeling and automated data pipelines.

Enterprise Data Analytics & Statistical Modeling: Focus on dimensional data modeling and relational databases.

EDUCATION

Kumaun University, Nainital — *Bachelor of Science in Information Technology*
2021 - 2024

Navodaya Vidyalaya, STEM Focus — *Senior Secondary Education*
2019 - 2020

LANGUAGES

English (Professional Working Proficiency), Hindi (Native)
